Love this place, the burgers are great and the service is fast. - 1 star for the price. 5 guys is expensive to dine alone and you will end up paying near \$20 for a burger, pommies and a drink. It is a TON of food, but it is difficult to justify the cost of a burger. [read more](#). What [User](#) doesn't like about Five Guys:

A star for everyone properly made Burger in our 5 Burger order. 3 of 5 burgers wrongly prepared! The staff was friendly and the food was fresh. It is simply irritating to pay \$11 for a Cheeseburger to have made it just wrong, even if the order has been properly taken. Because I didn't feel good, it was too much trouble in the restaurant, so we treated it. [read more](#). If you're craving some **zesty South American cuisine**, you've come to the right place: delicious dishes, cooked with fish, seafood, and meat, though **corn, beans, and potatoes** are also in the menu, Naturally, you can't miss out on the delicious burgers, which are accompanied by sides like fries, salads, or wedges offered. Moreover, there are scrumptious American dishes, such as burgers and grilled meat.
