What [John Green](#) likes about Popeyes Louisiana Kitchen:

I really like the Popeye's spicy chicken sandwiches a lot. We go through the drive thru after work and get them. They are the best chicken sandwich out there. Love me some red beans rice or mashed potatoes cajun gravy as a side. It might not be a high end restaurant but that sandwich is good. The drive thru is quick and the staff is friendly and accurate. If you're craving some spicy South American cuisine, you've come to the right place: exquisite menus, roasted with **fish, seafood, and meat**, though corn, beans, and potatoes are also on the menu, The dishes are usually prepared in the shortest time and fresh for you. When you're not so ravenous, you can just treat yourself to one of the scrumptious sandwiches, a healthy salad or another snack, and you can indulge in tasty American meals like *Burger or Barbecue*.
