I've always loved this restaurant, and I have fond childhood memories from here. The food is good and the employees are friendly. Though, I do know of great [Mexican](#) restaurants with lower prices; however, this place I'd wager is fairly priced for the area in which it is located. [read more](#). As a guest, you can use the WLAN of the restaurant free of charge. Should you wish to sample delightful American dishes like burgers or barbecue, then Rancho Villa's in El Cajon is the ideal place for you, One can also find some **international meals** to choose from in the menu. The visitors also appreciate the versatile, tasty [Mexican](#) cuisine, whose traditional dishes are prepared with corn, beans and spicy chilies, You'll find scrumptious *South American* meals also in the menu.
