With the comprehensive selection of **coffee and tea specialties**, a visit to Fuddruckers becomes even more attractive, In addition, the drinks menu that is offered in this established eatery is impressive. It offers a diverse diversity of beers from the region and the whole world.

You have the option to, after the meal (or during it), still relax at the bar with an alcoholic or non-alcoholic drink, Besides the delicious sandwiches, small salads and other snacks also make a good snack.
