During a meal, a good drink is essential. In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, there are also **fine vegetarian dishes** in the menu. After the meal (or during it), you can still relax at the bar with a alcoholic or non-alcoholic drink, Of course, you also have to try the fine burgers, that come with sides like fries, salads, or wedges provided.
