The food was delicious and the servers were great. It's all you can eat Brazilian restaurant. The servers bring the meat to you and cut it in front of you. You have salad bar pasta and other pages get yourself. My first time there and I heard there was another one in Massachusetts. [read more](#). What [Lupita S](#) doesn't like about Boi Brazil Churrascaria:

\$155 for a group of 2 people. \$7 for a cup of lemonade and \$45 charged for each person. But on top of that they automatically include 18% gratuity in the bill which came out to a tip of \$22. You cannot edit the tip amount or anything! The prices here are crazy and definitely overpriced because one doesn't need to eat much to feel overly full and satisfied. Won't be coming back. On top of that the waitress was not attentive and we had to wait a long time for her to bring the bill so we could finally leave. If you want to a beer after work and sit with friends or alone, Boi Brazil Churrascaria from Orlando is a good bar, The **meat** is freshly **grilled** here on an open flame. It goes without saying that a suitable drink completes a meal; therefore this gastropub presents a diverse range of tasty and regional alcoholic options, be it beer or wine, You can also discover nice *South American* meals in the menu.
