It's certainly always an event to be in a **typical saloon** and to taste; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a delicious burger, Furthermore, the drinks list in this eatery is impressive and offers a good and extensive variety of beers from the area and from worldwide, which are definitely worth a try. Not to be left out is the extensive selection of *coffee and tea specialties* in this locale, You can also unwind at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks.
