Amazing Burritos. I have an original steak burrito without rice and beans. Guacamole and chips are made fresh to order. It even has the avocado seeds inside. A little too much lime for my pleasure, but my bf loves it. They sold themselves for the day so that I don't try, but they have traditional [Mexican](#) chickens doves with the olives inside. It's definitely always an event to be in a [typical saloon](#) and to consume; to feel like a cowboy for once with a beer and also the *finger food like crispy fries, onion rings or a hearty burger*, Particularly, many customers are looking forward to the **diverse, fine [Mexican](#) cuisine**.
