What [User](#) likes about Mega Mercado:

I'm originally from Southern California. [Mexican](#) food is usually a hit and miss in Florida. But the Mega Mercado brings me home. The food is cheap and delicious. Fresh tortilla chips and salsa are brought to your table when you arrive. And you can order a number of different aguas frescas drinks. I usually order tacos de carne asada, but I have tried the tortas, sopes, chimichanga, tostadas, campechana, tacos birria,... [read more](#). Look forward to the **diverse, tasty Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), Particularly with the bite-sized **Tapas**, you can't do anything wrong, because there is something for all tastes. Look forward to the enjoyment of fine [vegetarian](#) dishes, here they serve a comprehensive brunch in the morning.
