For a person who was strongly immersed in Korean culture, thanks to my Korean drama loving woman, the humility and house style smile cooking this restaurant puts it over the rest. I'd be back to this place in a San Francisco heartbeat! Thanks for the wonderful dishes. [read more](#). What [jane m](#) doesn't like about Dae Jang Gum:

Kaju was super busy so came into the food mart and checked out several stalls. From here, We had the omelet fried rice (on the plain side for the price), mackerel (bony and soft- perhaps refrigerated too long), and the jajiang noodles (a little too sweet for my taste). It wasn't bad but not somewhere I would frequent. [read more](#). At

Dae Jang Gum, [tasty dishes from international cuisine](#) are freshly made for you, The **barbecue** is freshly **cooked** here on an open flame. No Korean feast is complete without traditional *Korean menus* like Kimchi, Bibimbap and Jjigae, which are served on the menu card and the tables of the guests, and you can look forward to the scrumptious classic seafood cuisine.
