What [User](#) likes about Los Taquitos: Not bad. Not bad. The chicken enchiladas were pretty good. Together with chips and pico, they make a nice meal. The restaurant has personality. The prices are okay. The staff is friendly. This is not the place to go when you are in a hurry as they take awhile, but it is worth waiting. The terrace is nice for outdoor dining, but the huge common tables are not my thing. Maybe more small tables would be best. [read more](#). Look forward to the diverse, delicious [Mexican](#) cuisine, traditionally prepared with corn, beans and chilies (hot peppers), Forbreakfast a *delicious brunch* is offered here.
