What [User](#) likes about Genghis Grill:

The food was AMAZING. Margarita was also amazing. The service was friendly and attentive! It'd be 100% down. I had a regular bowl with Udon noodle base. Toppings: Korean pork, bacon, ham, garlic spices, jalapenos, pineapple, roasted red paprika and a combination of G3 (I think) and sweet and acidic sauce. It was amazing.

The only reason I didn't have 5 stars is I wish there was a possibility like numerous small bowls... [read more](#).

What [User](#) doesn't like about Genghis Grill:

Underwhelming is best to describe. The concept is good but the portion for price is not there. Food was extremely burnt making everything taste well just burnt. Staff was nice but food was not cooked well at all. [read more](#). At Genghis Grill in Greenville, juicy barbecue is freshly prepared on an open flame and garnished with flavorful sides, Furthermore, the visitors love the inventive combination of different dishes with new and partially experimental ingredients - a good example of successful **Asian Fusion**. Of course, the right drink with a meal can be crucial; this gastropub provides a diverse variety of fine and regional alcoholic beverages like beer or wine, On the menu there are also several *Asian dishes*.
