The restaurant from Savannah offers 18 different menus and drinks on [the card](#) at an average price of \$4.6.

What [User](#) likes about Super Tastes Japanese:

I and my friend were looking for something new to eat lunch in downtown and we stumbled over super buttons. The prices are reasonable... the food is great... and I love the fact that it is family-oriented. I will visit here much more in the future. [read more](#). With the extensive diversity of **coffee and tea specialties**, a visit to Super Tastes Japanese becomes even more attractive, Particularly scrumptious are also the **Sushi** and delicacies like *Inside-Out* from this restaurant. Super Tastes Japanese focuses on a lot of freshly harvested vegetables, fish and meat in its healthy Japanese cuisine.
