This place is always good for me... But this last time they were GREAT! I ordered the Filet Hibachi and got the normal amount of fried rice, but had more steak than rice and the steak was perfectly cooked. It is hard to get restaurants to cook rare steak as I like it... barely cooked. Sushi always tastes right. Great thumb up read more. The restaurant offers complimentary WiFi for its visitors. In Covington, traditional meals are prepared in the kitchen of Osake with typical Asian spices scrumptious, Furthermore, the customers love the inventive combination of different dishes with new and partially experimental ingredients - a nice example of successful Asian Fusion. A lot of freshly harvested vegetables, fish and meat is used in the easily digestible Japanese cuisine of Osake, The customers of the restaurant also appreciate the extensive variety of differing **coffee and tea specialities** that the restaurant has to offer.
