This is a Japanese restaurant that is legitimately Japanese. The food tasted like what my mom used to make when I was young. Menu is huge yet the food quality is amazing. I don?t know how they do it. This place is super popular so make sure to arrive right when they open to avoid long wait times. I ate a lot but didn?t feel terrible after. Great service and great food, would recommend! read more. You can at Foo Foo Tei from Hacienda Heights *taste delicious vegetarian courses*, in which no animal meat or fish was brought into play, on the menu there are also a lot of **Asian dishes.** Foo Foo Tei uses a lot of freshly harvested vegetables, fish and meat for its healthy Japanese cuisine, With the bite-sized, Tapas, you can't absolutely nothing wrong, particularly because there is something for every palate.
