Sometimes I forget we have this place in Fitzgerald. We always get the liver and gizzards. They are fried fresh and always taste great. The service is as quick as it can be considering they have to cook your order. They are friendly and responsive in the drive thru. You get a whole lot of food for your money. I highly recommend a visit.

I've loved coming here since they opened up, but the girl working there was so nasty and rude, I won't be back anymore. She was scratching her head, eating food at the register with 4 inch long fake finger nails, touching her face, licking her fingers, and never washed her hands. She had a \*horrible\* attitude. Will NOT be back unless they get rid of her, if then. [read more](#).
