Don't know much about the regular burgers here but came here to try the Impossible Burger. If I had not known in advance that this was plant based, I would have never suspected that this was not beef. I have tried other veggie burgers but this is leaps and bounds beyond anything else I have tried. The burger has a smoky meaty flavor. I don't know how but there is definitely that distinct flavor of fat rendered on a f... [read more](#). Should you wish to sample tasty **American courses like burgers or barbecue**, then Fatburger in Montebello is the ideal place for you, And of course, you should also try the *fine burgers*, with sides such as fries, salads, or wedges served. With fresh seafood, meat, as well as beans and rice, here they also [South American](#) cook.
