Charleston has some fantastic restaurants and bars to do a lot and see. These include all confectionery shops of river or market street sweets to Savannah's candy, and also here at Kilwins, where they have wonderful chocolate treats that are artistic in creation and presentation. Right next door is a coffee shop, so take a few bites and drink a coffee. read more. What E R doesn't like about Kilwins Chocolate And Ice Cream:

Kilwins is **OVERPRICED** and underwhelming. We paid \$9 for a bear claw which is a large turtle but was impossible to eat because it was too thick and there were way too many nuts, no chocolate, and very little Carmel. Plus, when we left the store it wasn't even the right kind of bear claw. Not the first Kilwins I've been disappointed with. Shop local places when possible and avoid this chain store. read more.
