3-4 weeks ago I ordered a Chicken Caesar salad, without tomatoes Reg. Chicken, not spicy. They had to fix the chicken before it hit the counter, and when I got it home, there were tomatoes and the wrong salad for a caesar. When I lived in Holt, I didn't want to make the trip to Cameron, so I called, and the manager was super friendly, he told me that I stopped and they would replace it. I don't often go through [Cameron](#), but I made it back tonight. The manager remembered our conversation and ranked up my salad, plus 2 extra sandwiches... everything for free! The night team at this point takes care of their customers. Yes, there was a little mistake, but I really appreciate it to take care of things for me weeks later!. If you're in a rush, you can get delectable **Fast-Food menus just the way you like it** from Wendy's in Cameron, freshly prepared for you in short time, For a snack, you can also have the delicious sandwiches, small salads and other snacks. With fresh seafood, meat, as well as beans and rice, here they also [South American](#) cook, Forbreakfast a hearty brunch is offered here.
