We worked with Jen for my wedding at Saltwater Farm Vineyard and she was wonderful!! She was so responsive, kind and understanding. Having good food was important to us and Gourmet Galley did not disappoint. The options are unlimited and our guests were wowed! They also did a fabulous job setting up. It was exactly how I envisioned. I would definitely hire them again for an event in the future! [read more](#). As a visitor, you can use the WiFi of the place free of charge. What [Mark Gordon](#) doesn't like about Gourmet Galley Catering:

We bought roasted Brussels sprouts, chicken marsala, and not your mother's meatloaf. The marsala was excellent. The sprouts were undercooked and therefore tough. The meatloaf had a weird consistency and was smothered in a tomato sauce, but tasted good, not great. We will probably try one more time but they need to up their game. [read more](#).
