What [Symplelife](#) likes about Kook'n With Kim: Five star rating is very underrated for Kook'n with Kim definitely deserve 20 stars!!!! 100/ today was my husband and I trying this restaurant and we were extremely satisfied!! The food portion was more than enough for two people on one plate! The food hot and fresh! Please please please!!!! Try the banana pudding you'll thank me later!! Oh yeah it's not a dine in restaurant. Service: Take out [read more](#). You can use the WiFi of the place free of charge, And into the accessible rooms also come visitors with wheelchairs or physiological limitations. If the weather conditions are right, you can also eat outside. What [Inisha Edwards](#) doesn't like about Kook'n With Kim: Very big on soul food the oxtails was not done very tough I got like 6 small pieces for a plate of \$24.99. As a first time customer I had questions of course the customer service could be more friendlier the food was toooooooo salty. The only good thing is they give away a lot of side but food could definitely be better. Would not travel to visit again Service: Take out [read more](#). Are you looking for *confectionery*? In Kook'n With Kim you will find magical desserts that will certainly fulfill your cravings, here they serve a **diverse brunch** for breakfast.
