Our dining experiences last weekend were superb. Every meal exceeded expectations for quality, originality, and presentation. Caden, our server, was fantastic. Right mix of personableness and professionalism. Looking forward to our next two trips this summer. [read more](#). The restaurant offers complimentary WiFi for its customers, And into the accessible spaces also come customers with wheelchairs or physical disabilities. What [Cassidy Skorija](#) doesn't like about 400 Springs Llc:

Saw great reviews for 400 Springs, and thought it would convenient since we were staying at the House on the Rock Resort. Looks like positive reviews are mainly for breakfast dinner was not as good an experience. There was limited wait staff so waited a long time for service. Food was overcooked and overpriced. Better restaurants at similar price points or less available in town! [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, You can also discover scrumptious **South American** menus on the menu. You have the option to, after the meal (or during it), also relax at the bar with an **alcoholic or non-alcoholic drink**, for breakfast they serve a *extensive breakfast* here.
