Here you can find the [menu](#) of The Root Cellar Co in Akron. At the moment, there are **18** courses and drinks on the card. You can inquire about **seasonal or weekly deals** via phone. What [Caleb Sprague](#) likes about The Root Cellar Co:

We had three meals a week for four weeks delivered after the birth of our second child. It was so nice to have healthy organic meals provided to us that were delicious. Rachel was awesome at customizing our orders based on our many dietary restrictions and sensitivities. Everything she made was well thought out and you can tell she takes her time to plan unique tasteful meals. Some of our favorites were chicken pot p... [read more](#).
