Step back in time and enjoy a delicious sub sandwich, pizza roll or a salad. I recommend the cheese steak sandwich. The folks at Steffano's are friendly and the atmosphere is laid back. The memorabilia that decorates the walls transports you back to the days when things were simpler. Great lunch spot! [read more](#). What [Ercole Ruggiero](#) doesn't like about Steffano's U-Bake Pizza & Sub Shoppe, LLC:

Have always had great service and awesome food, until today...I ordered 2 subs, a deb melt with mayo, lettuce, and onion and a beef BBQ. Get home and the beef BBQ is correct but the deb melt is a ham and cheese, that's it, sub roll, ham, and cheese...no mayo, no lettuce, no onion. One would think, if you raise the prices, you could at least get the sub you ordered. May be a while before I come back. [read more](#).
