What [User](#) likes about Lloyd's:

When the weather conditions is pleasant you can also eat outside, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. What [User](#) doesn't like about Lloyd's:

The service and location were perfect, as we had tickets for the Lyric Opera across the street. The food, however, was awful. I ordered the Steak and Cake...the steak resembled a hockey puck, burnt solid. The crab cake was ok, I have made better myself. The rest of my party had similar complaints to their meals (everyone did love the soup though). Over-priced for the quality and I would never go here again. [read more](#). An additional service offered by the establishment is the catering service for visitors, and you can indulge in scrumptious American dishes like *Burger or Barbecue*. Also, they offer you **delicious seafood dishes**, You can also discover delicious South American meals on the menu.
