Passing through looking for something different then the [fast food](#) chains. See the reviews on Google and decided to give them a shot. I'm pretty picky about green chili because everyone nowadays says they offer green chilies. This ain't that place. They got grandma's recipe in the back for sure. If you know you know. Food was really good. I'll be back next time I'm in town. [read more](#). In pleasant weather you can even eat in the outdoor area. What [Virginia Begay](#) doesn't like about Blake's Lotaburger:

I am changing my review from five stars to two. Because when I placed an order over the phone, the lady who took my order was not friendly at all. Then when I picked up my order it was a completely different order or I was given someone else's with my receipt on the bag. After having to drive back to the restaurant and getting my order remade, one of the breakfast burritos had just one bacon bit in it. This location... [read more](#). Are you looking for pudding? In Blake's Lotaburger you will find [divine desserts](#) that will certainly quench your cravings, and you may look forward to the delicious classic seafood cuisine. Most often, the **burgers of this restaurant**, which are among the highlights, are offered along with sides like french fries, salads or wedges, here they serve a **diverse brunch** in the morning.
