The food was great, the tables were a bit dirty, but we managed, but the build was freezing. You could have hung meat in the place. I understand the workers get pretty hot back there all day, but they should also know, that after the Sun goes down, probably a good idea to adjust the thermostat accordingly. We were so cold we had to finish eating outside, plus we were there to watch fireworks across the street as well... [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physical disabilities. What [User](#) doesn't like about Rally's:

it's fast eating. they got the order right, eating was hot, drinking was cold, and the service was prompt and courteous. the price for fast eating is absolutely ridiculous to my opinion because they can sit and eat in a decent restaurant for the same money. I give it three stars because eating is best good and the prices are kind of high, otherwise I would have rated higher. [read more](#). If you're desiring some spicy South American cuisine, you've come to the right place: tasty dishes, prepared with **fish, seafood, and meat**, though corn, beans, and potatoes are also in the menu, For a snack, the yummy sandwiches, small salads and other snacks are suitable. Moreover, there are scrumptious American menus, such as **burgers and grilled meat**. And of course, you should also try the *delicious burgers*, with sides such as fries, salads, or wedges served.
