This place was so good, we dug in before I could even take a picture. I knew I chose the right place to eat when I showed up and there was a decent sized line to wait it, but it was worth the wait. This pizza has crust that is thick and fluffy, unlike crust I've ever had before. A small pizza is equivalent to 4 slices. We shared a small pizza between two people and it was enough, but so yummy we could have easily gon... [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations. What

[Frank Dohms](#) doesn't like about Golden Boy Pizza:

Basic pizza similar to what we ate in college after the bars closed. Not gourmet but priced as such. Quick and generally acceptable when you're in the mood for comfort food. [read more](#). At Golden Boy Pizza from San Francisco you can enjoy delicious vegetarian courses, in which no animal meat or fish was processed, Furthermore, the drinks menu in this restaurant is impressive and offers a good and extensive selection of beers from the area and from worldwide, which are definitely worth a try. Of course, there's also tasty pizza, baked straight from the oven according to traditional recipes, The menus of this establishment can also be enjoyed at home or at the party thanks to a catering service.
