I tried the Tacos, it worth it so far. They were huge and homemade tortillas soo delicious. I'll try something different next time, Dishes looks good at a reasonable price. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities. What [User](#) doesn't like about La Hacienda:

We waited an hour for our food (which would have been good if the food had been excellent!! The food was authentic, but little quality. Some of the meat in the taco was crisp with overcooking. Not what we expected. We love authentic [Mexican](#) food. I read in a review someone said that the tortillas are homemade here (DIE NOT!!!

The food is [decent](#), but not worth the price they charge. It was a depressing place inside. [read more](#). Look forward to the *diverse, scrumptious Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), and you may look forward to the scrumptious traditional seafood cuisine.
