The restaurant is a cool atmosphere. There is a bar area and other seats, including cabins, high tables and seating tables. The staff was very nice and pleasant. I... [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and be served. What [Carleigh Magee](#) doesn't like about The Flying Biscuit: It was average at best nothing was all that great. It was overpriced especially the coffee which was warm but not hot. We left wish we had just gone to Dennys or IHOP for breakfast. [read more](#). An additional service offered by the establishment is the [catering service](#) for visitors, At the bar, you can unwind with a *freshly tapped beer* or other alcoholic and non-alcoholic drinks. Not to be overlooked is also the extensive variety of coffee and tea specialties in this restaurant, and you can try scrumptious American meals like **Burger or Barbecue**.
