Great experience. The frozen custard here is a bit smoother and, dare I say, creamier than ice cream. It 's very sweet, but without an overwhelming richness as you might expect depending on the flavors and toppings you might get with it. I thought I was doing my diet a disservice when I came back for another round the same week.

But, I just found out today that frozen custard is lower in fat, carbs, and calories than... [read more](#). When the weather is nice you can also eat and drink outside, And into the accessible rooms also come customers with wheelchairs or physiological limitations.
