Her red velvet cake was so delicious! It was the only red velvet cake that reminds me of my grandmother recipe!! I loved it together with other cakes I had that was delicious!! And if you only buy slices of cake, they are big slices that you can share if you want!! Sammy's cakes are worth the price!! You don't have to take my word for it, but if you try it, you'll be addicted. Your cakes are very good!!! [read more.](#)
