This place is soooo good. It's futuristic with their conveyor belts shooting out your food and the robot taking you to your seats. This was my sons birthday dinner. It is his favorite place to go! [read more](#). The restaurant and its rooms are wheelchair accessible and thus usable with a wheelchair or physical limitations, and there is no-charge WLAN. If you crave for **sweets**, Master Kim's Korean Bbq with its fine desserts can surely make an end of it, Also, fans of **Korean cuisine** will be fully satisfied at the restaurant with menus like Bap, Kimchi or Jjigae. The **Asian fusion cuisine** is also an important part of Master Kim's Korean Bbq. Anyone who finds the normal and generally known menus too ordinary can here approach with a willingness to experiment and try some exciting combination of ingredients consume, on the menu there are also a lot of Asian dishes.
