The burger was quite decent for half a place, recommended, grilled the old burger mustard and with grilled onions and extra thousand island. Fries were crispy and fluffy inside. Place is open until 2:00 and could use a facial lift, but the food is pretty good. Will definitely be back. [read more](#). What [User](#) doesn't like about Gourmet Burger:

Was excited to try this place out. Not sure why this place has 4.4 stars. My burger didn't even look like the ones in the photo. Nothing gourmet about it. Just an average burger with a dry bun. Patty was small. Fries were basic and over salted. Won't be back. [read more](#).
