Don't be fooled by the outside. It looks like a gas station, but there is a new diner in the back. Tom's is a local favorite for fast food. The food is delicious, fast and cheap for breakfast or lunch. It is immaculate because they are constantly cleaning! The staff is friendly and will make you feel right at home. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological limitations. If you're craving some *spicy South American cuisine*, you've come to the right place: exquisite menus, roasted with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, Of course, you also have to try the fine burgers, that come with sides like fries, salads, or wedges served. Furthermore, you'll find delicious American dishes, like for instance **burgers and grilled meat** on the menu, here they serve a **comprehensive brunch** in the morning.
