If you are looking for tacos in LA come to "El Chato Tacos Truck" is amazing. They are rich in flavor you can not get enough, the tacos are small. I had to order tacos two times. I recommend rice water(agua de horchata) it's a definitely. Also, great customer service. Looking forward for my next trip to LA. [read more](#). What [Howard K](#) doesn't like about El Chato Taco Truck:

El Chato, what happened to you? Stopped by earlier for some late night eats and was shocked by how much it's changed. They now charge \$2.25 for the smallest taco I've ever seen at ANY taco truck ever in LA. I'm talking about one-third the size of a normal sized street taco. Quality was good, but not as memorable as it was before. It's no wonder the line was considerably smaller than when I was last here. Sad to say, th... [read more](#).
