This place is to die for. They have a huge selection on ice cream ice cream. They have nachos, corn on the cob and much more. The taste is delicious. It's a 10 of 10 for me. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather, And into the accessible spaces also come clientele with wheelchairs or physical limitations. What [Vivian K](#) doesn't like about Garcia's Fruit:

unfortunately they no longer have mangoneadas which was what I came here for originally, but I got the with pineapple and watermelon ice chamango. The mango bits are pretty small so it can be used with a straw but using a spoon is a lot easier when everything is still icy. Overall pretty good, but I think some other places do it a bit better.
