Taco truck often parked across Nogales High School. Came here for dinner and picked up some carne asada nachos. There's parking available in the KFC lot. It was less than a 10 minute wait with a couple of people ahead of us. They put sour cream (no guac) and pico de gallo. There's a fair amount of cheese and refried beans. It's a good serving for two people and cost \$10. Cash only. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and eat and drink. What [Jesus TheDankKnight](#) doesn't like about Tacos Los Potrillos: This spot used to be so good. Now all they give you is rice and beans and a tacos worth of meat in the burritos. Not paying almost 10 bucks for beans rice and a tortilla gave this spot 2 more chances but and same thing both times. Time to find another taco truck. [read more](#).
