Delicious food. Generous portions. One burrito feeds two adults as long as you get a side dish also. I recommend getting your food to-go though. The flies can be bothersome. Just the nature of outdoor eating. My only complaint about the food is that the guacamole was only mashed avocado. No onion, tomato, cilantro, lime, etc. Not really a proper guacamole. Still, I'm really happy I ate here. [read more](#). In pleasant weather you can even have something in the outdoor area. What [Kent Pfeiffer](#) doesn't like about I Lava Tacos:

Food truck on the road to Hana. Took a chance thinking "how hard is it to make decent Mexican food". WRONG.

Worst food I've had anywhere. Would have asked for a refund, but looking at the 2 kids working in truck made me think they couldn't give 2 Sh...t's about my satisfaction. DON'T EAT HERE.
