Good food good service good pricing . Small menu , but it's all good . The waitress was quick to serve us and to get our food out . All the food tasted good . It's wY out of the way or I would eat here much more often [read more](#). What [Pedro L](#) doesn't like about Little Joes Family:

Not good, came here because of ratings for breakfast and was nothing like what people commented, order a simple breakfast burrito bacon and sausage, not hard. All I got was a flour tortilla packed with what it looked like hashbrown got literally a strip of bacon I said and no sausage even though I was charged as separate meats for burrito. And the hashbrown inside was all goopy and it looked more like mash potatoes, got... [read more](#). For breakfast, you can enjoy a appetizing brunch at Little Joes Family, as much as you want, The guests of the restaurant are also thrilled with the large variety of differing *coffee and tea specialities* that the establishment offers. There's also delicious pizza, baked straight from the oven using original methods, You can also discover nice South American menus on the menu.
