While in school, I've been searching for a nice coffee place where I can sit, study and get my work done. This spot hits all points. Nice staff, great cold brew (non-dairy options available) AND you don't have to worry that you're not getting non-dairy options. Free Wi-Fi, cozy seats that aren't hard as a rock, outlets by the couches. Nice music and overall really good food. [read more](#). You can use the WiFi of the place at no extra cost. Moon Water Cafe from Appleton is a relaxed café, where you can have a small snack or cake with a **warm coffee or a sweet chocolate**. The customers of the establishment also consider the large selection of various coffee and tea specialities that the establishment offers. Moreover, there are tasty American meals, such as burgers and grilled meat. The tasty sandwiches, healthy salads and other snacks can be planned well as a snack.
