Came here last time and was won over by their popcorn chicken. So we came again to try some main dishes. We ordered pork belly over rice, beef shank, and popcorn chicken, pork hock over rice. All of them were pretty decent except the pork belly was a bit bland to our taste. But it was good for the price! And the portion was big.

Will come back to try the pork chop. [read more](#). What [Baron Lio](#) doesn't like about Star Ice Teriyaki:

Ordered the red bean shaved ice. First time trying it. Pretty good to be honest. Shave ice taste different than other ones. Has the 綿 /snowflake feeling at the end of the ice. Kiwi is nice on the side. Would recommend shave ice with fruit as non-fruit add-on taste alright. Will come back to try more things. [read more](#).
