What [Titaium Queen](#) likes about Tortilla Town: Best place in town for hard shell tacos. I keep going back and it just gets better. I'm running out of friends to take there. Ha I can't seem to get past the tacos to try something else. You definitely won't leave hungry. The portions are very generous and the staff are very inviting. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather. What [Titaium Queen](#) doesn't like about Tortilla Town: The fresh house made tortillas are pretty good but the pastor was extremely bland. The whole burrito was carried by the spicy salsa's flavor, which was pretty good. I'll definitely try again but my first visit left a lot to be desired. [read more](#). Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), The **meat** is freshly *cooked* here on an open flame.
