What [Guillermo G](#) likes about Argensol: I just had to share my awesome experience at this Argentinian empanada spot! Seriously, these empanadas are out of this world. The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physical disabilities. What [L](#) doesn't like about Argensol: Had a chocolate alfajores. Not worth \$4 for stale alfajores in packaging. I'll still give this place a shot at empanadas but pretty turned off by expensive stale alfajores. [read more](#). An additional service offered by the restaurant is the catering service for customers, The guests of the restaurant are also thrilled with the comprehensive variety of various **coffee and tea specialities** that the establishment offers.
