The food here has always been amazing, the edamame and cucumber is my favorite. Their rice dishes are really good as well. The beef stir fry noodles are some of the best and the prices for these items have always remained very good for the quality of the food. The soup dumplings are the best. Highly recommend this place [read more](#).

What [User](#) doesn't like about Lan Zhou Lamien Noodle House:

Food was yummy and big portions/fairly priced. The potato salad was crisp/refreshing and made for a good leftover side. Seasoned edamame is always better than plain. The soup dumplings didn't taste much better than what you can get frozen. Wouldn't recommend the skewers or broth dishes. Stir fry noodles had a decent amount of veggies and didn't taste super greasy. Would recommend if you're in the area! [read more](#).
