The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities. Depending on the weather, you can also sit outside and eat and drink. Are you looking for sweet treats? In The Beach House Bistro you will find **divine desserts** that will certainly satisfy your cravings. Also, the drinks menu at this place is exceptional and offers a significant and varied selection of both local and international beers, which are definitely worth a try. In the end, the atmosphere also matters: In this context, the bistro with its idyllic small size can create the right inviting atmosphere. Especially with the bite-sized, *Tapas* you can't do anything wrong, because there is something for every palate.
