Currently, there are **17** dishes and drinks up for grabs. Golden Corral has received mixed reviews from customers, ranging from extremely negative to overwhelmingly positive. One customer had a terrible experience, describing the food as disgusting, unsanitary, and poorly prepared. Another customer praised their server, Rome, giving him a 5-star rating for his service. Despite some negative feedback, others had wonderful experiences at the restaurant, complimenting the friendly staff, wide variety of food options, and cleanliness of the establishment. While some customers noted minor issues such as food temperature and changes in the menu, overall, the Golden Corral seems to be a popular choice for those looking for a casual buffet-style dining experience with something to offer for everyone.
