Great establishment! The food, drinks and hospitality were amazing. It truly has a dynamic feeling and lives up to its historical attributes. The owners, Sunil and Bobby, are wonderful hosts and their entire staff are very friendly. I highly recommend this place and look forward to returning again! [read more](#). As a guest, you can use the WLAN of the establishment free of charge. What [Arlene Gleichner](#) doesn't like about The Magic Lamp Inn:

The food is still very good, but they need to improve their operation. It seems that they are focused on the older local market and not reaching for a younger demographic group. One major change should be removing karaoke and adding live music, contemporary or jazz. I would like to see this restaurant thrive before it becomes to late.

In case you're hungry some **seasoned South American cuisine**, you're in the right place: tasty menus, cooked with fish, seafood, and meat, but also corn, beans, and potatoes are in the menu, and you have the opportunity to try tasty American menus like Burger or Barbecue. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink, Moreover, the *sweet desserts* of the house shine not only on children's plates and in children's eyes.
