We went to Cesar's on Broadway for my birthday lunch with my family and it was great. I had quesobirria which was really good. Cadillac margaritas pitchers were delicious and I was able to have a nice buzz and it didn't give me a headache. I wish I had purchased a bottle to go. We hope you guys bring back the mobile pick ups around different parts of Chicago. Thanks for taking care of us. [read more](#). What [Eva B](#) doesn't like about Cesar's Home of the Killer Margaritas:

Shitty a service never again , from the minute we walk in to the end no good service , asked for manager she send someone else Ask for another round of drinks she say we had been there for two hours ..(yeah okay) food is cold and nasty [read more](#). Look forward to the diverse, scrumptious Mexican cuisine, traditionally prepared with corn, beans and chilies (hot peppers), Also, the drinks menu at this place is exceptional and offers a significant and varied diversity of both local and international beers, which are definitely worth a try. You can still relax at the bar after the meal (or during it) and enjoy a *alcoholic or non-alcoholic drink*, A catering service offered by the restaurant allows you to enjoy the dishes at home or at the festival.
