13FEB2022: Second visit, first time I did not generate a review, but it was a solid 4 stars....second visit, a small down trend. Still going with a 4 because definitely not a 3, think more 3.8 and we are navigating a pandemic.

Grilled shrimp tacos for our vegetarian guest were ok. My taco plate was ok. The Birria tacos with soup were much better than ok. Service was good, vibe is pleasant. Really enjoy the option to sit outside on their patio. Will likely continue to try new places, but guessing in comparison to other Tucson options an experience here will range from 3.8 to 4.2. If you crave for **desserts**, El Sur Restaurant, LLC with its **fine desserts** can surely make an end of it, and you can enjoy here delicious American meals like *Burger or Barbecue*. With fresh fish, meat, as well as corn and potatoes, here they also South American cook, Particularly, many customers are looking forward to the diverse, delectable Mexican cuisine.
